

# Colorado Concealed Carry Permit Class

**Cost: \$150 Classes: 5-hour classroom session and short range qualification**

This course is designed for students with at least a little shooting experience. Application for a Concealed Carry of a Handgun in Colorado requires the student to prove proficiency in firearm safety. This course satisfies that requirement and students completing this course will receive a certificate for submittal with their CCW application.

Topics covered include:

1. Basic firearm safety refresher
2. Basic firearm handling refresher
3. Firearm maintenance
4. Law and legal section covering:
  - a. CRS 18-12-20X Concealed Carry Permit Application
  - b. CRS 18-1-70X Use of Physical Force
  - c. CRS 18-1-70X Use of Deadly Physical Force
5. Scenario evaluations
6. Range qualification

Range qualification consists of a student firing at a target 8 ½" X 11" at 7 yards. The student will engage with 25 rounds, 20 must puncture the target. Students will have multiple opportunities and range staff will be available for assistance.

Students will provide ammunition, targets will be provided. A free loaner 9mm auto is available.

Students who pay at class time will have their certificates mailed to them within 48 hours of class completion. Students wishing to receive their certificates at the end of class may prepay by completing and sending this form and prepayment (check please) to:

Colorado Firearm Safety, Inc.  
5863 Instone Circle  
Colorado Springs, CO 80922  
(719) 591-1637

Prepaid students will be notified upon receipt of pre-payment.

(Please print legibly, your certificates will be printed from this information)
